ACTIVITIES

Here at Eastleigh Lauren, our Activities Co-ordinator has lots of fun things for you to join in with, from puzzles and games to messy play. Pampering sessions are a regular treat, we sing, we dance, we make art and get our craft on.

We aren't far from
the beach!

So, we have lots of
fun exploring the
seaside and the
surrounding areas.

At the seafront we have
Clacton Pier...

Here we can have lots of fun including going bowling, playing in the arcades, having a go at crazy golf and visiting the sea creatures at the aquarium!

Do you like fireworks? Because throughout the year The Pier have displays which we would like to take you to see when you are visiting.

There is a local farm called Hasty's, with lots of animals to visit and pet. With water and sand play too!

We are going to be welcoming fluffy visitors and watching eggs hatch in the spring and want to know what animals you would like to meet.

Our activities are planned around you, so it is important that you and a helper fill out your all About Me Book!

Jan 2021 update – Because of the Covid-19 germ at the moment, we are staying safe with lots of fun indoor/ garden activities... so get ready to do some planting and lots of art/craft with us!
