

Summary for children and young people

Name of children's home: Eastleigh

URN: 2613488

Date of inspection: 1 August 2022

Dear All

I recently visited Eastleigh.

- I spoke to Michelle and the staff.
- I spoke to some of your parents and your social workers.
- I looked around Eastleigh and read some of the records.

I wrote a report after my visit. The report said that Eastleigh is good. This is because;

- You have fun.
- You get to try new things.
- The staff keep you safe.
- The staff make sure you have the help and support that you need.
- Michelle and the team work hard to make sure you have a great stay.
