

Summary for children and young people

Name of children's home: Maryland

URN: 1258276

Date of inspection: 5 June 2023

Hi everyone,

Thank you for welcoming us to Maryland and spending some time with us while we were there. It was lovely to meet those of you who were there while we were visiting.

It was good to hear about the things you have been doing while at Maryland including playing in the garden, going shopping and going to the seaside.

We think there are some areas that could be done differently to make things better for you all. We have asked Katy and Shauna to make some changes to some of the office tasks as well as the home and garden to improve things at Maryland.

If you want to know more about our visit, you can ask Katy or Shauna for more information.

Thank you again for welcoming us.

Best wishes,

Leanne and Deirdra
